Most importantly don't forget that you will need to make your travel arrangements early. Since the last rally, Tasmania has undergone a tourism boom so please bear that in mind when deciding how late to leave your booking. For anyone bringing their car on Spirit of Tasmania this is particularly important, and for those flying, booking ahead will result in cheaper flights and greater choice of travel times. If you want to bring your car you could look at options where the driver accompanies the vehicle while others in the party fly down.

## Spirit of Tasmania Information

An exclusive JCCA member's page has been created on the Spirit of Tasmania website:

<https://spiritoftasmania.com.au/offers/jensen-car-club-of-australia>

You should use this page when booking or amending your booking so that you have access to the best available fares on your chosen sailing dates. Fares do fluctuate and are subject to change until payment has been made and a booking number and e-ticket are issued. Alternatively, bookings can be made by contacting the Spirit of Tasmania Customer Contact Centre on 132 010 but booking and amendment fees apply to non-internet bookings. The two fare types available are the Jensen Car Club of Australia Tas Rally 2019 (Spirit) and Jensen Car Club of Australia 2019 (Flexi) and are available for sailings booked between the 1st of March 2019 and the 1st of May 2019. Note that if you can't see the name of our event included in the fare type this indicates that you have left the exclusive members page and need to navigate back to it before proceeding to make your booking.
